

Operation "50 years in 5" - Accelerating church planting in BOSNIA, CROATIA, SERBIA & SLOVENIA

The Vision: Enable keen local churches to plant churches in clusters in their regions.

The Task: i) Seek out keen visionary churches and develop partnership.
ii) Envision and recruit numerous missionaries from revival countries.

Timeframe: Radically urgent! 2012 must be the ominous year for missionary arrivals.

ZONE 1. / NOVI MAROF - CHURCH PLANTING / GOD IS AT WORK

"Now all things are of God, who has reconciled us to Himself through Jesus Christ, and has given us the ministry of reconciliation... Now then, we are ambassadors for Christ, as though God were pleading through us: we implore you on Christ's behalf, be reconciled to God" 2 Corinthians 5:18,20

OUR VISION!

Can it become a new church in Novi Marof? (picture left)

Yes! It is God who has set the foundation...

OUR VISION / ZONE 1

VARAZDIN REGION / CROATIA

PROJECT „50 YEARS IN 5“

5 NEW CHURCHES!

WE WANT TO CONTINUE WORKING EVEN MORE...

This is just a small part of wonderful things that the Lord has done last months on the mission field in Novi Marof. The door for preaching the Gospel is opened. Also, the door of the biggest building in Cultural centre (which has about 2000m²) is opened for Christian activities. A lot of good things are still before us and, from the time that our dear brothers - the missionaries from Brazil - came to us, our faith is even stronger that a new church will be planted in Novi Marof. Praise the Lord!

However, in order to continue a mission work in Novi Marof we need, first of all, prayers; but we also need financial help for renting the hall in Cultural centre and the Office for Christian counseling in which we meet people during the week. Our God was so merciful to us in the last three years, so with the help of ECM we had covered certain expenses.

But by March of 2013 the financial help will cease to come; and with regard to recession in Croatia and the fact that nearly 200 people lose their job daily and that the Emmanuel church has only 50 members, we really need help that we might continue the mission work.

As you know, Emmanuel church in Varazdin has a vision of planting 5 new churches in Varazdin area. After our official opening of Emmanuel church in 2001, by the Lord's grace, we started to plant a new church in Novi Marof and then in the town of Ivanec. There are three more towns. So we ask your aid (400 euro per month) that we need for renting room in Novi Marof. Emmanuel church in Varazdin will continue to cover overhead expenses (150 - 200 euro per month) and all travelling expenses (100 - 130 euro per month), However, we still need 400 euro in order to continue the Lord's work. Can you be with us in this need to fulfill noble goals? Thank you so much for your understanding, prayers and help. Our love and prayers be with all of you.

Yours in the Lord Jesus,

pastor Jonatan Vukov & Mission team Zone 1, CROATIA
